 **Ramona
Community Foundation**
A proud affiliate of San Diego Foundation

A group of Ramona residents and community leaders came together to create Ramona Community Foundation (RCF).

Working in partnership with San Diego Foundation, the purpose of this charitable foundation is to increase responsible and effective philanthropy to provide for the future of Ramona through a community endowment.

Grantmaking

RCF's grants are designed to help nonprofit organizations achieve their operational objectives. Annually, the Grants Committee and the RCF board reviews and approves proposals through a competitive grants process, after which the entire membership votes to determine the grantees.

Matt McLaughlin Live Here, Give Here Program

Matt McLaughlin established an endowment legacy fund at San Diego Foundation that continues to make a profound impact on North County. The Matt McLaughlin Live Here, Give Here program supports membership dollars raised, growing RCF grantmaking from member contributions for our community.

Thanks for Making a Difference

"The support of the Ramona Community Foundation has allowed VFC to equip children in foster care with a consistent, caring adult who will provide them with the ongoing support they need to create a brighter future." –Voices for Children

"Thanks to two grants from the RCF, CERT was able to purchase and outfit a trailer for emergency supplies that would serve San Diego Country Estates and the surrounding areas should they be cut off from downtown Ramona during a natural disaster. Now fully equipped, the trailer includes radio equipment that will facilitate communication with other CERT teams and emergency responders."
