

# Why Do They Give?

The San Diego Foundation family is filled with a diverse group of generous heroes who want to create positive, long-lasting impact for the San Diego region.

*Here is just one of their stories:*

John C. Malugen came to San Diego to practice law over 35 years ago and he understands how good the San Diego community has been to him, both professionally and as a place to live a full and satisfying life. John cares about helping those in the community who have not been as fortunate. By contributing to the work of The San Diego Foundation, which includes a program focusing on the well-being of San Diego's citizens, John can be confident that his donations will lead to positive, long-lasting results.

We can all make a difference today by giving to the *Friends of the Foundation Program*. Whatever your passion, The San Diego Foundation is dedicated to strengthening all of our communities, now and for generations to come.
