

Why Do They Give?

The San Diego Foundation family is filled with a diverse group of generous heroes who want to create positive, long-lasting impact for the San Diego region.

Here is just one of their stories:

Giving is a family affair for Cliff and Carolyn Colwell. The couple came to The San Diego Foundation because they wanted to give back to the community. Through their donations, they not only help make San Diego better, but also pass on the importance of giving by involving other family members in philanthropic decisions. Preserving the environment, supporting healthcare research, and teaching the importance of health promotion are all important to the Colwells. That is why The San Diego Foundation, which includes programs in each of these areas, is such a good fit for this generous couple.

We can all make a difference today by giving to the *Friends of the Foundation Program*. Whatever your passion, The San Diego Foundation is dedicated to strengthening all of our communities, now and for generations to come.
