

MISSION, VISION & PURPOSE

The Chula Vista Charitable Foundation's (CVCF) mission is to improve the quality of life in Chula Vista by meeting emerging needs through:

- Encouraging and increasing responsible and effective philanthropy,
- Building a community endowment,
- Providing funds annually to organizations and causes, and
- Giving the community a vehicle for legacy planning and cash gifts that will benefit the residents of Chula Vista annually and in perpetuity.

The vision of CVCF is to inspire a culture of giving that supports, strengthens and enriches the quality of life in the Chula Vista community now and for generations to come.

FOCUS AREA

CVCF is in its 10th grant cycle. For the 2020 grant cycle, up to \$60,000 in funding may be awarded. CVCF will be accepting proposals for **Human Services programs related to our aging community, Arts and Culture programs, or a creative blending of these two focus areas.**

Human Services programs for our aging community address issues such as homelessness, veterans, immigration, housing, transportation, outdoor spaces, community support, social inclusion, employment and community centers.

Arts and Culture programs address music, dance, fine arts, performing arts, poetry, public art and integrated programs (e.g. therapy through arts).

CVCF's grant cycle is committed to the financial support of projects and programs that make the biggest impact in the lives of people who live, work and play within the geographic boundaries of Chula Vista.

ELIGIBILITY CRITERIA

Grants must be administered by a 501(c)(3) Public Charity, or an organization that is fiscally sponsored by a 501(c)(3), a school, or other government agency. CVCF does not make grants to supporting organizations or private, non-operating foundations. If an organization is using a fiscal sponsor, a cooperative relationship between the two must be clearly demonstrated. Projects must be achievable within a 12-month time frame. Only one application per organization will be accepted.

Grants will be evaluated against the following bullet points (at a minimum):

- Define the Human Services for our aging community or Arts and Culture need and approximate the project's benefit to those who will be directly served. Organizations must make a clear linkage between the program that is seeking funding and its impact on Human Services for our aging community or Arts and Culture in Chula Vista

Additionally, we encourage projects that:
