MISSION
• Build an Oceanside community endowment
• Provide funding annually to Oceanside nonprofit organizations
• Give Oceanside community members a vehicle for legacy planning and gifts that will benefit Oceanside now and forever

PURPOSE
Meet emerging needs by encouraging and increasing responsible and effective philanthropy by and for the benefit of all who live, work and play in the Oceanside community.

MEMBERSHIP & STRUCTURE
The membership fee is an annual contribution of at least $1,000. Half of your contribution goes to immediate grantmaking, the other half will be for building the OCF endowment for future generations. All members vote annually to determine which organizations receive grant awards.

Make a difference through an Oceanside Charitable Foundation membership, and strengthen the community of Oceanside now and for future generations.

REMEMBERING THERESIA HEYDEN
Theresa Heyden joined the Oceanside Charitable Foundation as a founding member in 2007. Theresa was an active force in Oceanside for nearly four decades, beginning with her work at Camp Pendleton in 1975 as a volunteer nurse assisting Vietnamese refugees.

In 2008, she established a Charitable Gift Annuity for the Oceanside Charitable Foundation. Theresa said, “I have lived in many places in my life, but I have lived in Oceanside the longest. I will always call Oceanside home. I want to give back to the community that has been so wonderful to my husband and to me, but at the same time I didn’t feel I could eliminate a large amount of my future income. The gift annuity was a way to accomplish both goals. Through the Oceanside Charitable Foundation, my investment is leveraged with the investments of my friends, so that even greater good can be accomplished. Through my contribution, I am making both a financial investment and an investment in Oceanside and its wonderful people. I love Oceanside. I believe that I am making a difference.”

Oceanside Charitable Foundation honors the memory of Theresa, she will be missed, but her legacy lives on.
