MISSION
• Build an Oceanside community endowment
• Provide funding annually to Oceanside nonprofit organizations
• Give Oceanside community members a vehicle for legacy planning and gifts that will benefit Oceanside now and forever

PURPOSE
Meet emerging needs by encouraging and increasing responsible and effective philanthropy by and for the benefit of all who live, work and play in the Oceanside community.

MEMBERSHIP & STRUCTURE
The membership fee is an annual contribution of at least $1,000. Half of your contribution goes to immediate grantmaking, the other half will be for building the OCF endowment for future generations. All members vote annually to determine which organizations receive grant awards.
In fall 2007, a group of Oceanside residents and community leaders came together to create the Oceanside Community Foundation (OCF). Working in partnership with The San Diego Foundation, the purpose of this charitable foundation is to increase responsible and effective philanthropy to provide for the future of Oceanside through a community endowment.

**GRANTMAKING**

OCF’s grants are designed to help nonprofit organizations achieve their operational objectives. Annually, the Grants Committee and the OCF board reviews and approves proposals through a competitive grants process, after which the entire membership votes to determine the grantees.

**MATT MCLAUGHLIN LIVE HERE, GIVE HERE PROGRAM**

Matt McLaughlin established an endowment legacy fund at The San Diego Foundation that continues to make a profound impact on the North County region. The Matt McLaughlin Live Here, Give Here program supports membership dollars raised, growing Oceanside Community Foundation grantmaking from member contributions for our community.

---

In 2008, she established a Charitable Gift Annuity for the Oceanside Community Foundation. Theresia said, “I have lived in many places in my life, but I have lived in Oceanside the longest. I will always call Oceanside home. I want to give back to the community that has been so wonderful to my husband and to me, but at the same time I didn’t feel I could eliminate a large amount of my future income. The gift annuity was a way to accomplish both goals. Through the Oceanside Community Foundation, my investment is leveraged with the investments of my friends, so that even greater good can be accomplished. Through my contribution, I am making both a financial investment and an investment in Oceanside and its wonderful people. I love Oceanside. I believe that I am making a difference.”

Oceanside Community Foundation honors the memory of Theresia, she will be missed, but her legacy lives on.
