## 5 REASONS TO GIVE REAL PROPERTY

There are a number of reasons why you might consider making a gift of your real property to charity:

1. No more real estate taxes.
2. No more cost of ownership (maintenance, insurance, upkeep) or hassle of selling.
3. Unproductive land can be put to a higher use.
4. Property can be used for a purpose you believe in—immediately.
5. Property can be transferred to a trust or gift annuity for added benefits.

## 5 WAYS OF GIVING REAL PROPERTY

Here are some of the ways to make a gift of real property including land or other real estate:

### OUTRIGHT GIFT

Transferring property is easier than selling, and you receive an income

tax deduction (and avoid any possible capital gains taxes).

### LIFE ESTATE

You can make a tax deductible gift of your home today and remain living there for the rest of your life.

### CHARITABLE GIFT ANNUITY

In exchange for your gift, we promise to pay you fixed payments for life at a rate based on your age—no matter how long you live. The rates are attractive, and you receive an income tax deduction and possible tax-free payments.

### CHARITABLE REMAINDER UNITRUST

Highly appreciated property can be transferred with no capital gains taxes. The trust owns the property and generates income for you for life or up to 20 years.

### WHAT ABOUT TIMBER OR FARMLAND THAT WON'T PRODUCE INCOME FOR YEARS?

A FLIP unitrust holds the property and starts delivering payments to you when the property produces income. You can design the trust to make-up “lost” earnings in future years.
