Weil Family Foundation Scholarship Letter of Recommendation

Weil Family Foundation Scholarship Letter of Recommendation EMAIL Request*

A letter of recommendation on letterhead from someone who knows the applicant from an academic perspective is required, in addition to the scholarship application.

NOTE: Scholars are required to identify a personal mentor by November 1st of their freshman college year. This mentor is ideally an upperclassman from a background similar to the applicant. The scholarship sponsor will assist recipients with this task, if needed. For tips on how to prepare a successful scholarship application and how to prepare for an interview conversation for this scholarship, visit our website. (www.wff.com/tips)

Due to the outstanding support and resources available to recipients of the UCSD Chancellor's Scholarship (CASP), this scholarship sponsor declines to interview applicants offered the CASP. This condition applies whether the applicant accepts the CASP or declines it. This also applies to alums who apply to this scholarship who were offered the CASP scholarship at any point.
