	Support nonprofit organizations	1.5%	Donor and/or designated advisors select grantees.

Funds require a \$25,000 minimum opening gift. The fee is based on the fund beginning balance of the first day of the fiscal year (July 1, or for a new fund the date it is established), plus contributions and charged monthly. Fees decrease at \$500,000, \$1 million and \$5 million.

Investment Manager Fee

Long-Term Fee 0.55%-0.65%

San Diego Foundation hires professional investment managers with asset class expertise to manage funds. The industry standard fee below is variable, netted against investment earnings prior to reporting on fund statements.

Custodial & Reporting Fee

Long-Term Fee 0.40%

San Diego Foundation also employs an independent investment consultant to ensure we receive strategic, objective investment counsel and an independent custodial bank for financial asset safekeeping. SDF charges each fund a separate fee specific to the investment pool, netted against investment earnings prior to reporting on fund statements.

Long-Term Non-Endowment Investment Portfolio

The Long-Term Non-Endowment Portfolio maximizes capital appreciation and income to grow grantmaking beyond the initial investment. The portfolio leverages higher levels of investment risks to obtain market-like returns and is best for donors who intend to grant funds over a long period of time.

Investment Narrative

Quarter ending March 31, 2026

The Long-Term Portfolio had a 0.0% net return for the quarter, outperforming its benchmark by 0.3%. Like the Endowment, the Long-Term Portfolio benefitted from its diverse allocation. The most additive allocations were those in international equities, real assets, and hedge funds which absorbed the negative performance of U.S. public equities. Performance over the last year was stronger as evidenced by the portfolio's 16.6% net return and outpacing the benchmark by 0.6%. The main drivers of performance over that period were allocations to international equities and real assets.
